## 2021 REGATTA

Given the current situation and remaining uncertainty over public events, this year's regatta will go back to its roots and be an on the water event only. This will include dinghy, keel boats and gig racing but no other activities.

Fundraising and income will be much reduced this year, so donations will be very much appreciated and will help cover the costs incurred this year.

Next year we hope to be back bigger and better than ever!
